Vikes Rec Intramural FAQ

**Q. I am thinking about becoming part of an intramural league at UVic, where can I find information?**

A. Information on the days of the week the leagues run on, prices and competition levels are available in the UVic Rec Guide. The Rec Guide is available in hard copy in CARSA and in the Mckinnon Building; it is also available online in pdf format at vikesrec.ca.

**Q. What is the difference between Rec Coed, Comp Coed and Open?**

A. Rec Coed is the lowest level of competition. It is a recreational league where there must be a specific number of the opposite gender playing at all times depending on the sport. Comp Coed is a more competitive league which also requires that a specific number of the opposite gender is playing at all times. Open leagues are just that, open. They do not require a set number of females or males and are open to anyone. Typically, these leagues are the most competitive.

**Q. I have decided to join an Intramural League at UVic, how do I go about registering/paying for registration?**

A. You can register online with a credit card at vikesrec.ca. You may also register in person in CARSA at the front counter or in the Mckinnon Building.

**Q. I am having trouble registering using the registration system at vikesrec.ca? What is going on?**

A. It makes a difference what status you are registering as, whether this is as an individual or as a team. Ensure that you are not logged in as the wrong type of registrant.
Q. I really can’t figure out the online portal registration, what can I do?

A. If the online portal is too difficult to figure out, simply call 250 472 4000 or come into CARSA and register in person.

Q. Now that I have paid for a specific league, I want to change it. How can I go about doing this?

A. If you want to change leagues from the one you originally registered in, you will need to call or email the intramural programmer, Joni Phillips at 250 818 7959 or joniphil@uvic.ca.

Q. I have paid for an intramural league as a team captain, what now?

A. Now that you have paid for registration of a team, you are responsible for creating that team on imleagues.com. Simply, log on and create your team under the day and league for which you have paid to be in.

Q. I have created my team on imleagues.com but it has still not been approved, why?

A. Generally, give the league coordinator 48 hours to approve your team. There is a lot of work that goes into running the intramural leagues so it can take a couple for days the students who run the leagues to approve everyone.

Q. My team hasn’t been approved and it has been more than 2 days, what can I do?

A. First, make sure that you have actually paid to be in the league. A league coordinator will not approve a team that does not appear in the Recreation system as paid. You can simply call the Rec office front desk at 250 721 7282 to confirm your registration. Finally, a friendly reminder to your league manager at imfun@uvic.ca will typically solve the problem.
Q. I have paid to play in an intramural league as an individual, what now?

A. If you have paid to play as an individual, you must log on to imleagues.com and join the “SINGLES” or “INDIVIDUALS” team under the day and league for which you have paid to play in.

Q. My friend and I registered as singles and we want to make sure we’re both on the same team, how can I ensure this?

A. If you and a friend have both paid to play in a league as individuals and want to be on the same team you both simply request to join the “SINGLES” team on the day and league which you paid to be a part of. Typically, there is only one singles team per league so by both requesting to be on this team you will be on the same team regardless.

Q. I have put my team on imleagues.com but I have not been approved yet. What is going on?

A. If you have not been approved with 48 hours of registering a team, email the league manager of your league and notify him/her via email at imfun@uvic.ca and they will be happy to sort out the problem with you.

Q. I have paid to play in an intramural league how do I know when I play?

A. The league schedules are created after registration closes. Once registration closes, the schedules will be released via imleagues.com. Each team/individual participant must register on imleagues.com on their own accord to ensure that their team is on the schedule. Schedules are released 72 hours prior to the first game.

Q. The schedule has been released and my team play every week at the same time and it is either too early or too late. How can I change this?

A. When the league manager creates the schedule it is done by a random generator. If you would like to get your game time changed for a specific week email the league manager at imfun@uvic.ca and arrange for the scheduling change.
Q. Will I be notified if my game time changes week to week?

A. Typically, no. It is the responsibility of the participant to check imleagues.com frequently to confirm game time and place. However, if the game time or place has changed less than 7 days before your next game, then you will most likely receive a notification.

Q. What color is my team supposed to wear to our game?

A. For most sports, when looking at the imleagues.com schedule, the team that appears first is the home team and they are always “light”, this means that team members should wear white or light grey shirts. The second team that appears on the schedule is the away team. This means that team members should wear black, dark blue or the like. However, to avoid conflict teams should bring both a light and dark shirt to the games. If the color contrast is too close, the referee has access to pinnies.

Q. My team will be unable to make our game. What do I do?

A. If a team cannot make the game they need to get in touch with the league manager ASAP and let him/her know so that they can inform the other team and the referee.

Q. Is there a penalty for not showing up to the game?

A. Yes, when a team does not show up they will be charged a default fee. This fee is $50. You will receive an email or phone call from the league manager and you will be required to deliver $50 in the form of a cheque or cash deposit to the Vikes Rec Office in CARSA. This payment is mandatory and must be received before the date of your next scheduled game, or will not be allowed to participate further. The $50 is held by the Vikes Rec Department until a second default occurs. Once a second default occurs, the cheque will be cashed or the cash will be kept. If no second default occurs, your cheque will be shredded or the cash, returned.

Q. I have a problem with the referee of my game. What should I do about this?

A. We ask that you understand that the referees are student and peers. If you have a problem with a call, an incident or with the way the referee officiated the game, do not voice this concern with the referee. Please contact your league
manager who will then look into the incident or the conduct of the referee. This ensures that the intramural leagues remain a fun and recreational environment.

**Q. The scores were reported incorrectly on imleagues.com. How can I have this changed?**

A. Notify the league manager of the error at imfun@uvic.ca and they will see that the error is corrected.

**Q. I hear things about signing waivers and getting on rosters, what are they talking about?**

A. Each team and individual must sign the paper waiver that is located in the binder that the referees bring to each game/match. Also, team must make sure that their members are on the team roster on imleagues.com
